Развиваем моторику руки

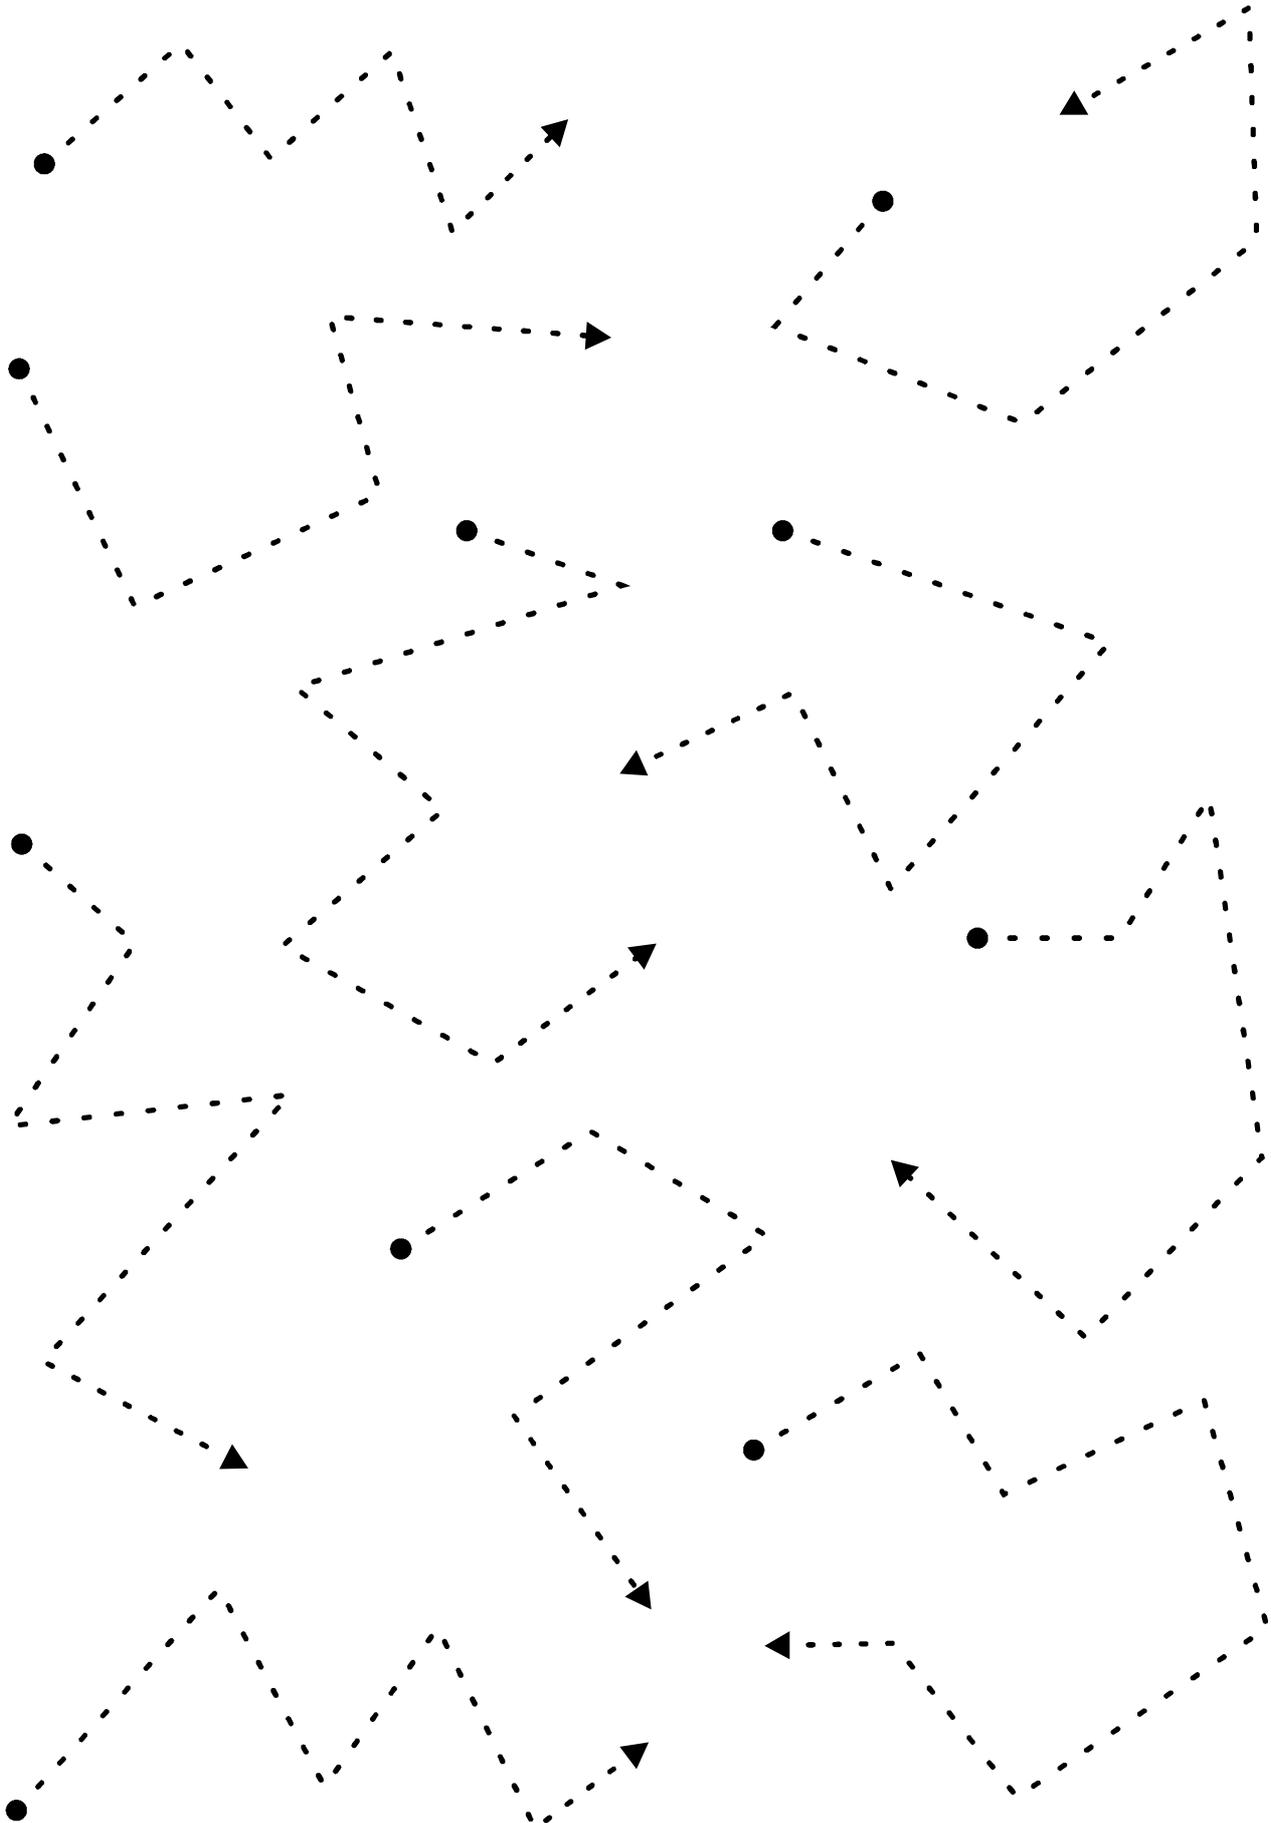

Скопируй рисунок по клеточкам

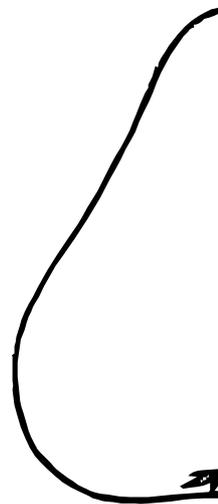

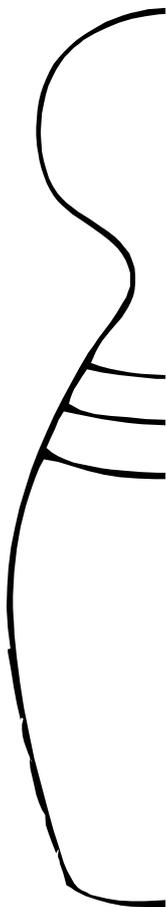

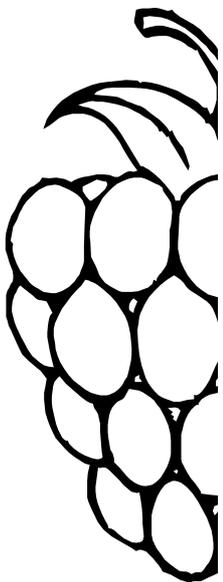

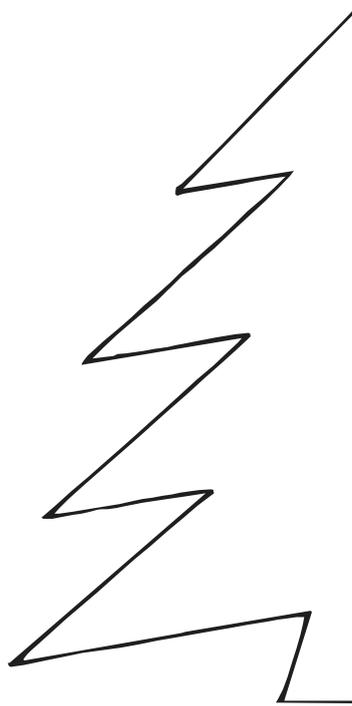

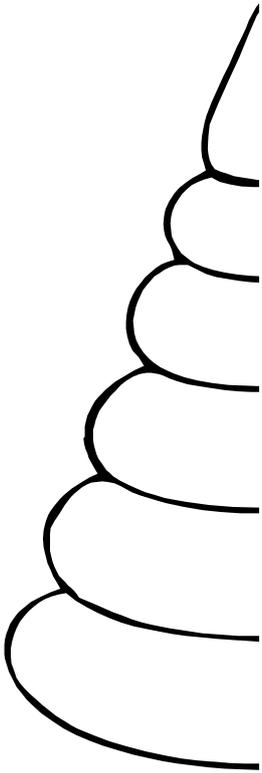

Обведи по контуру картинки, дорисуй недостающие детали. Что у тебя получилось?

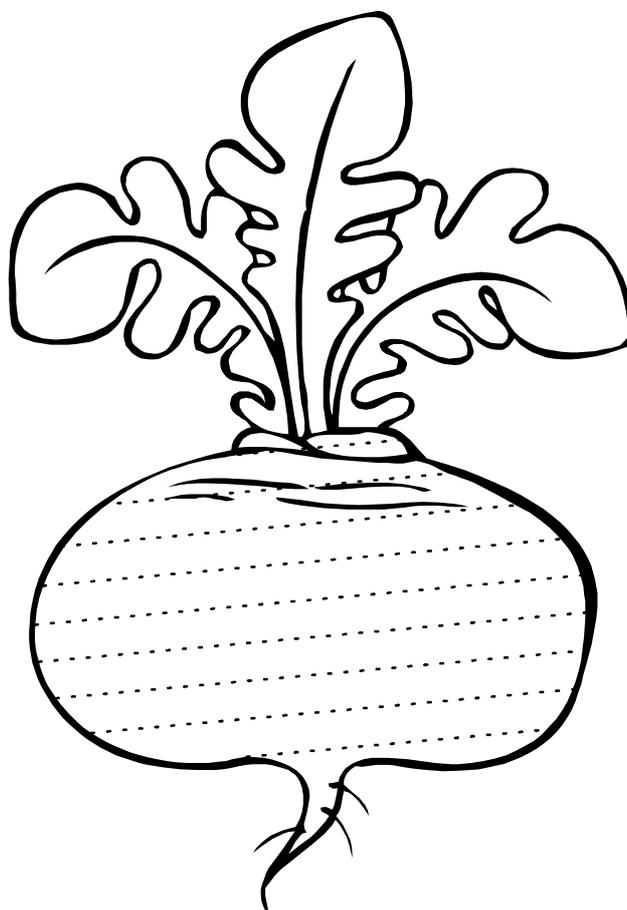

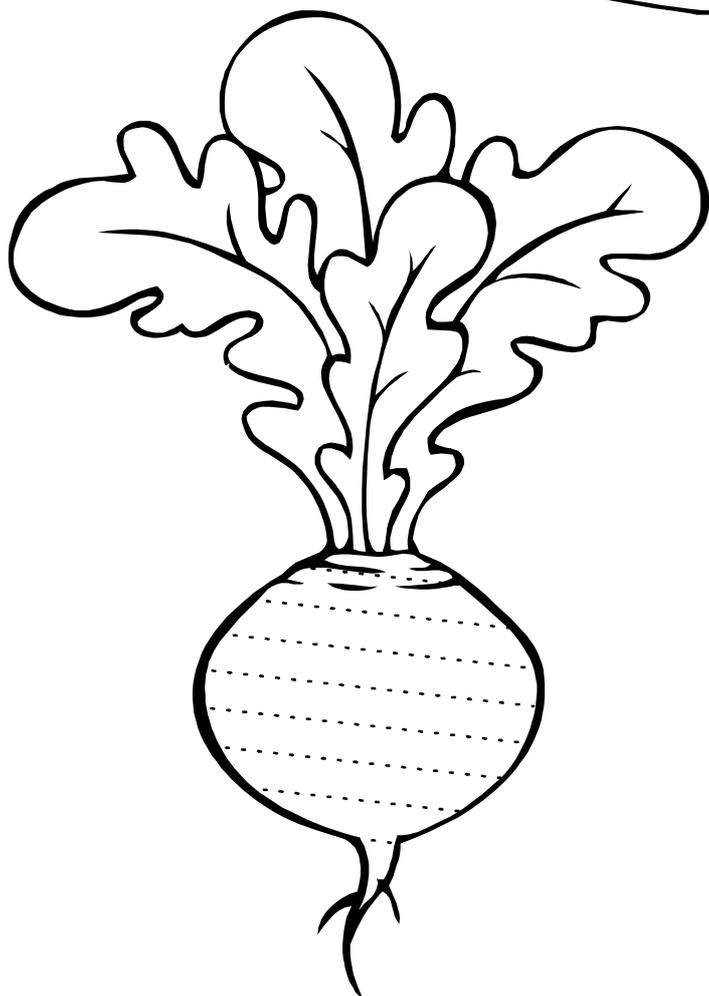

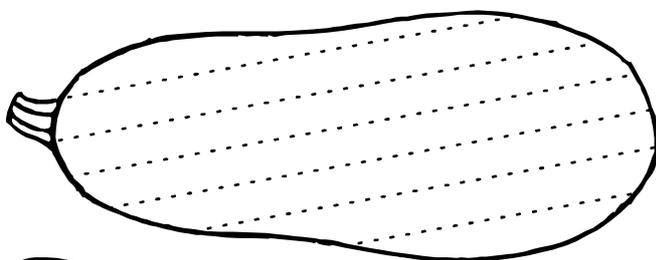

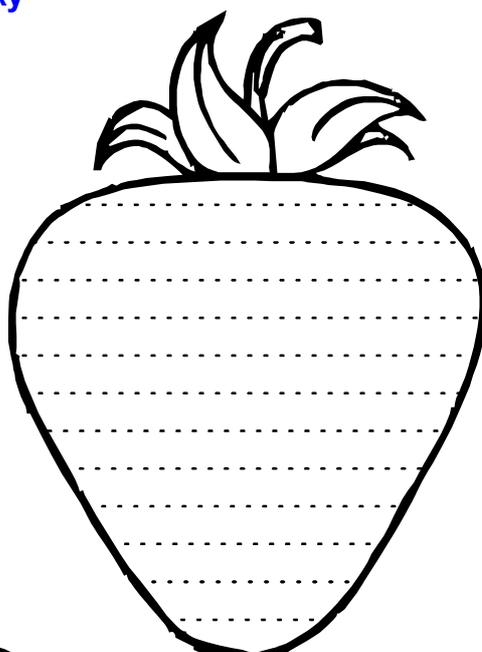

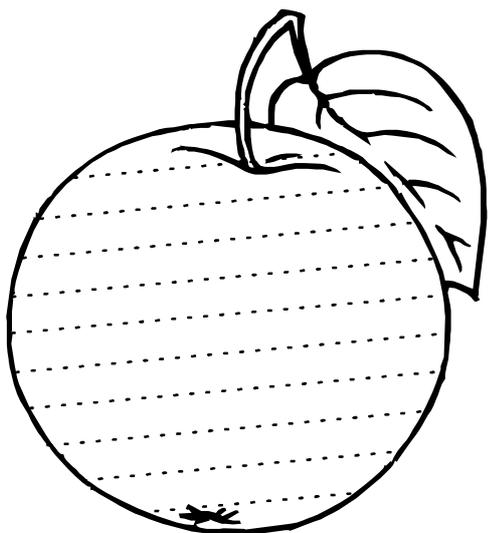

Проведи линии по направлению стрелок

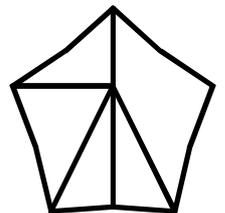

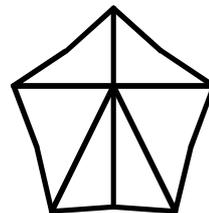

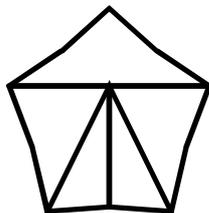

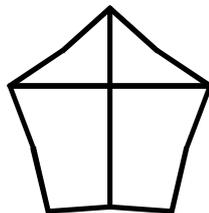

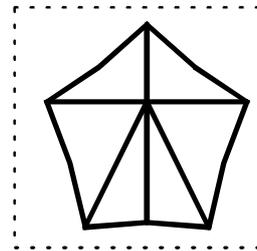

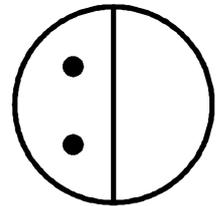

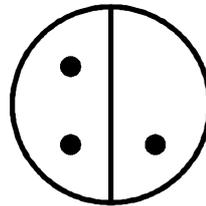

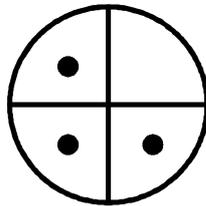

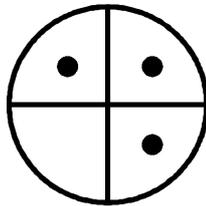

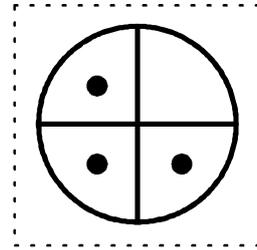

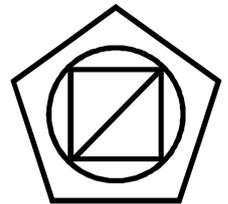

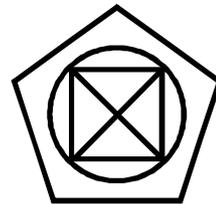

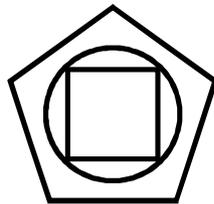

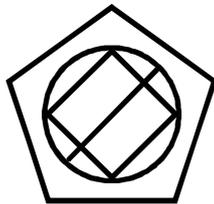

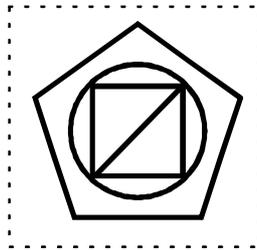

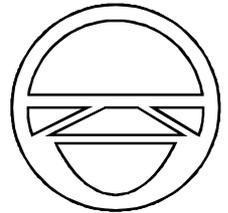

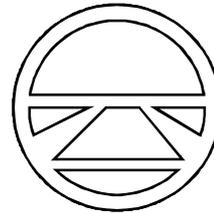

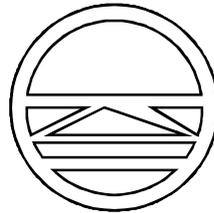

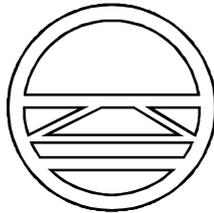

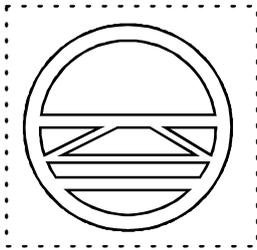

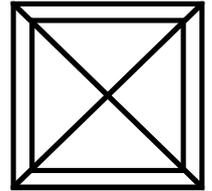

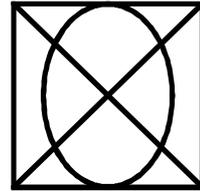

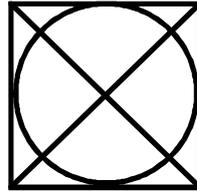

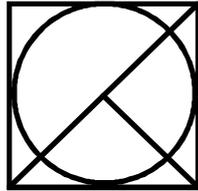

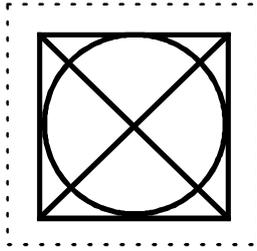

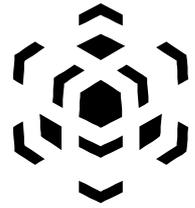

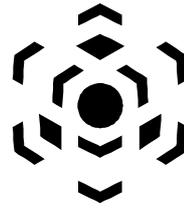

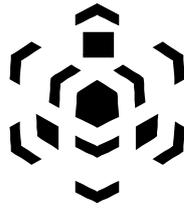

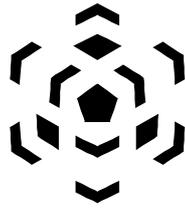

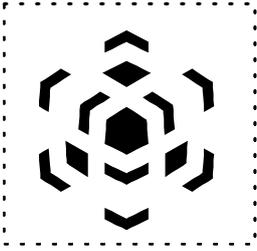

Дорисуй вторые половинки картинок

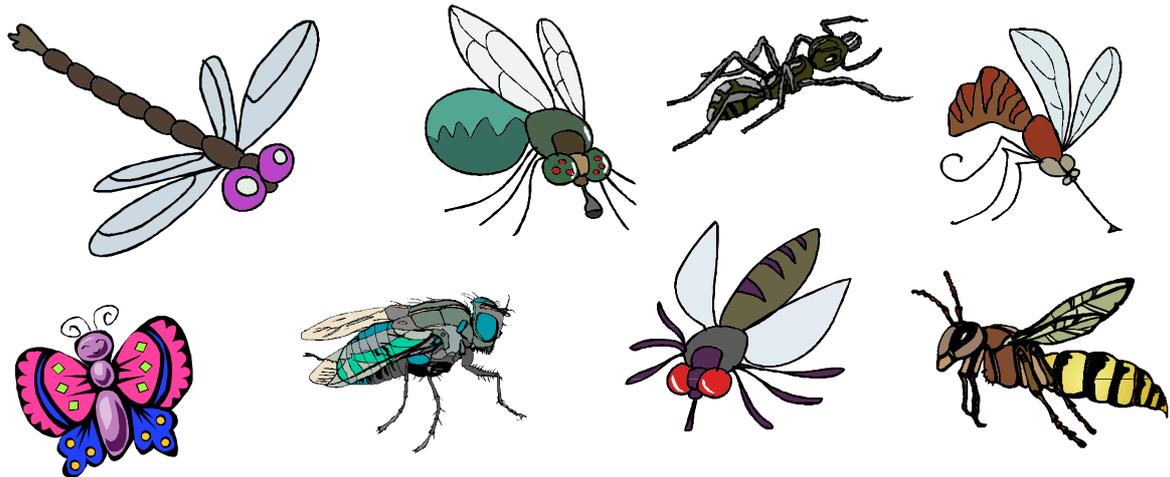

Выполни штриховку

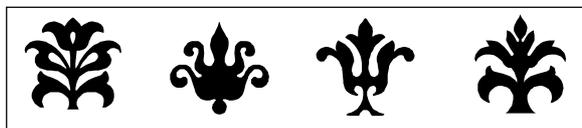

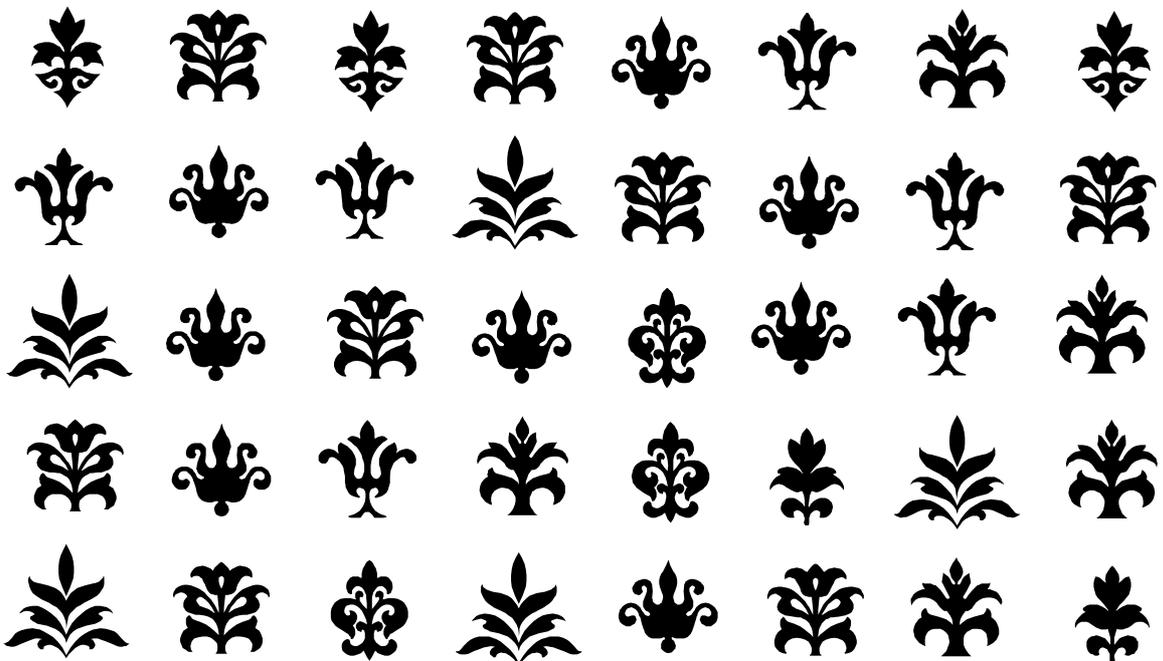

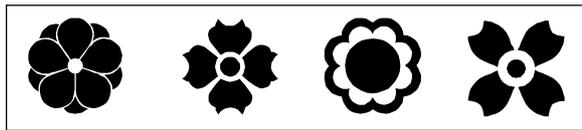

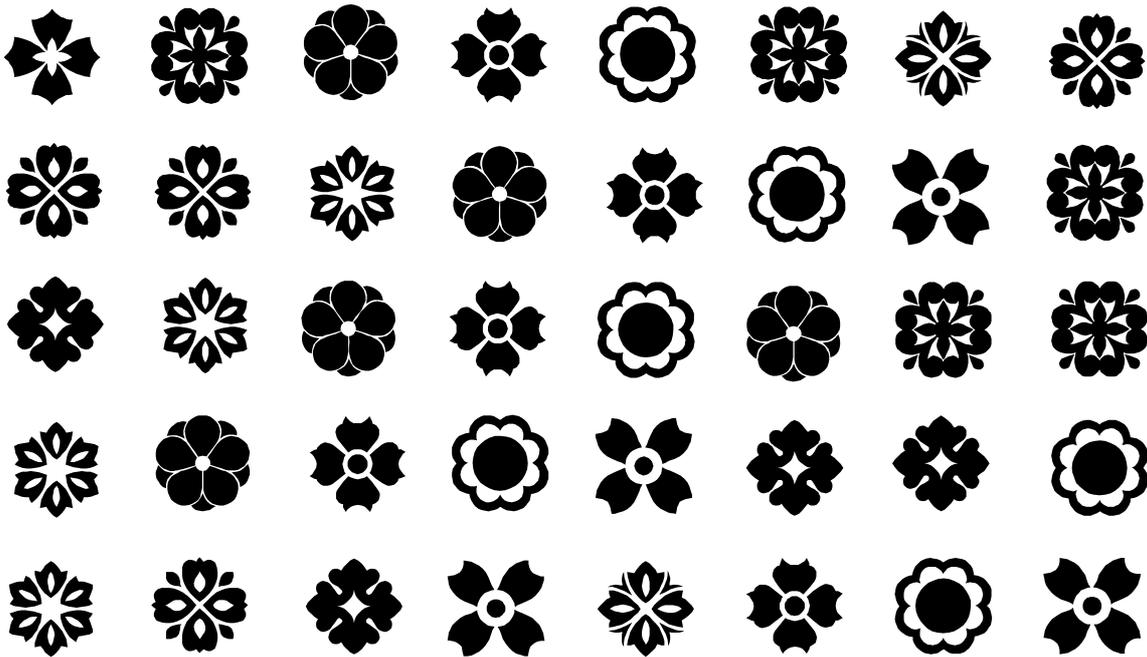

Найди в каждом ряду точно такую же картинку, как слева и обведи ее

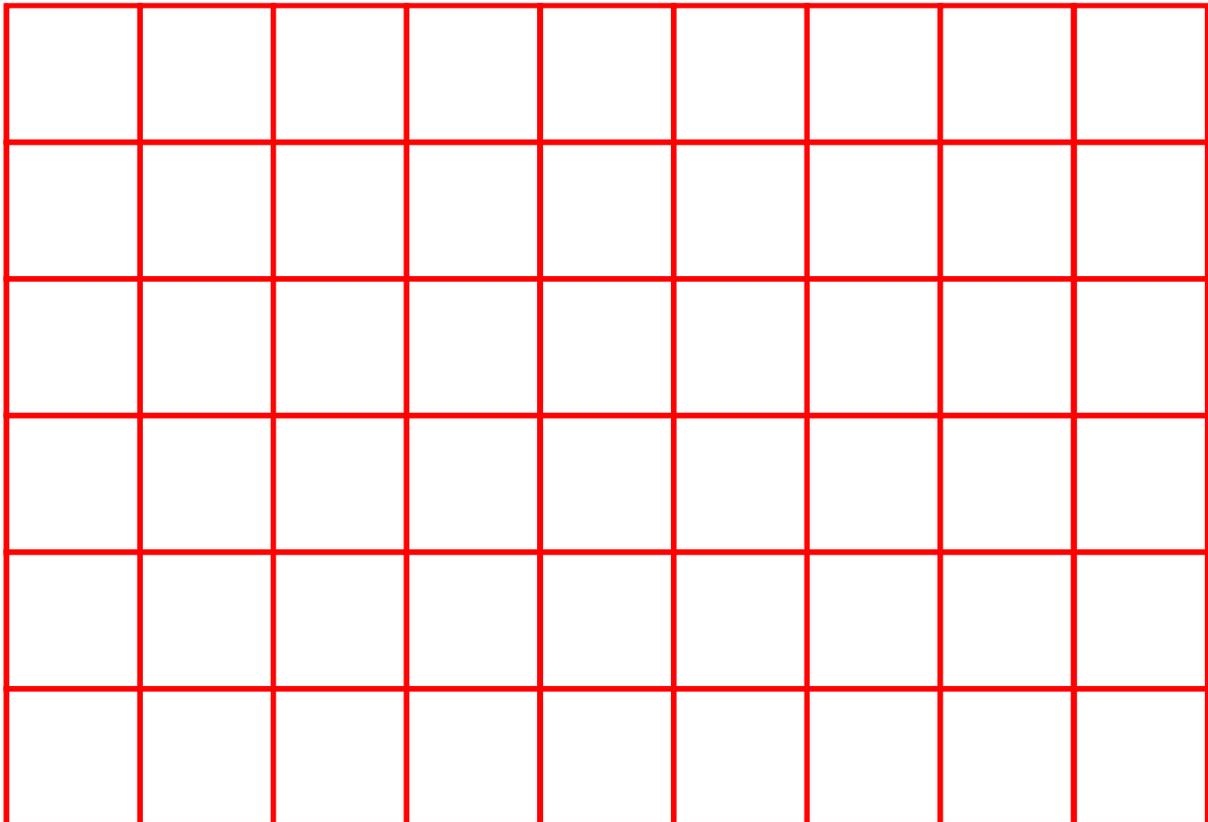

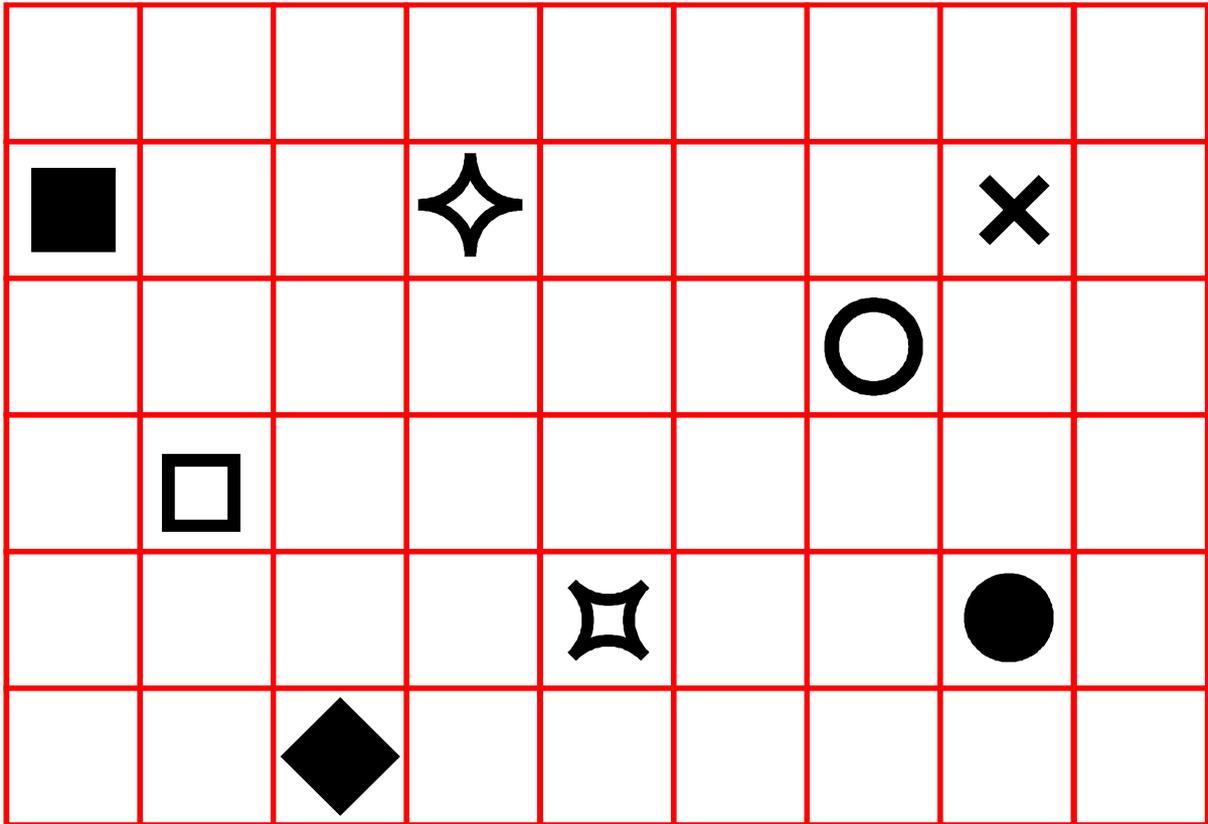

Зачеркни лишнюю картинку в каждой группе. Почему ты так считаешь?

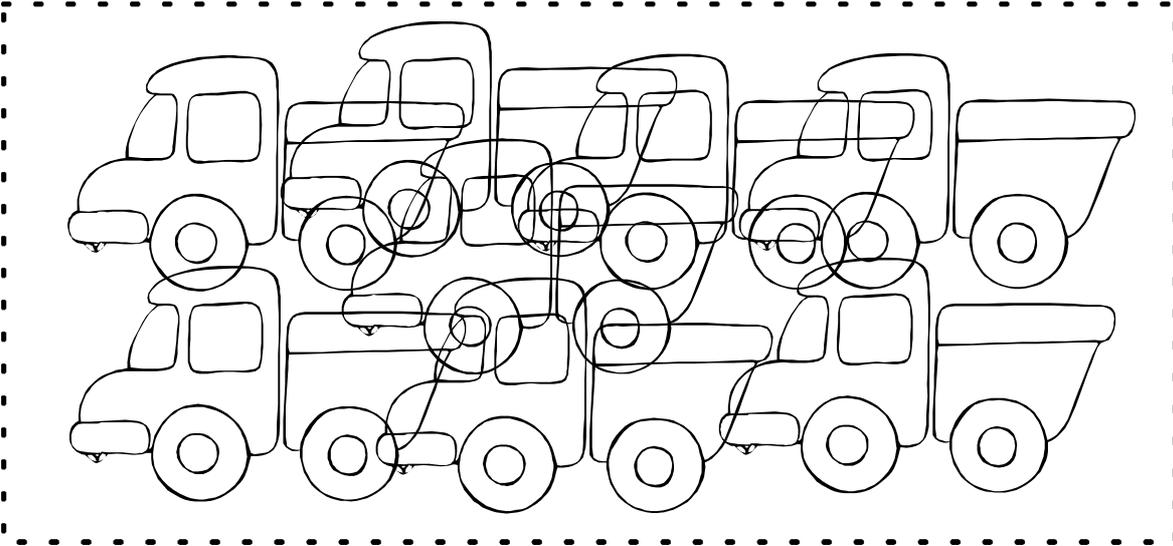

Найди в таблицах такие же группы предметов, как в примерах, обведи их

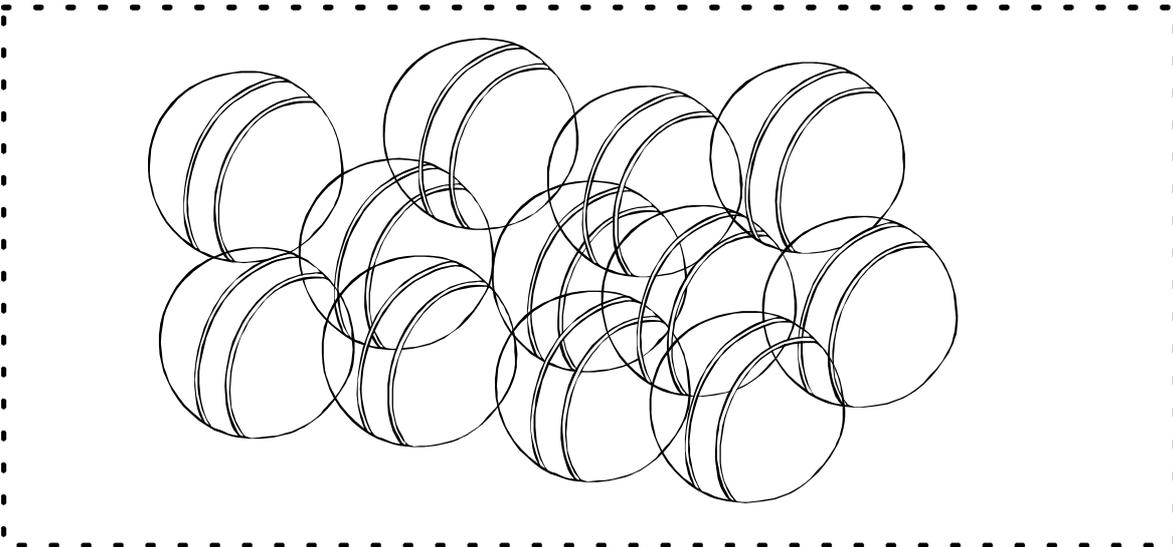

Расставь фигуры в нижней таблице точно так же, как в верхней

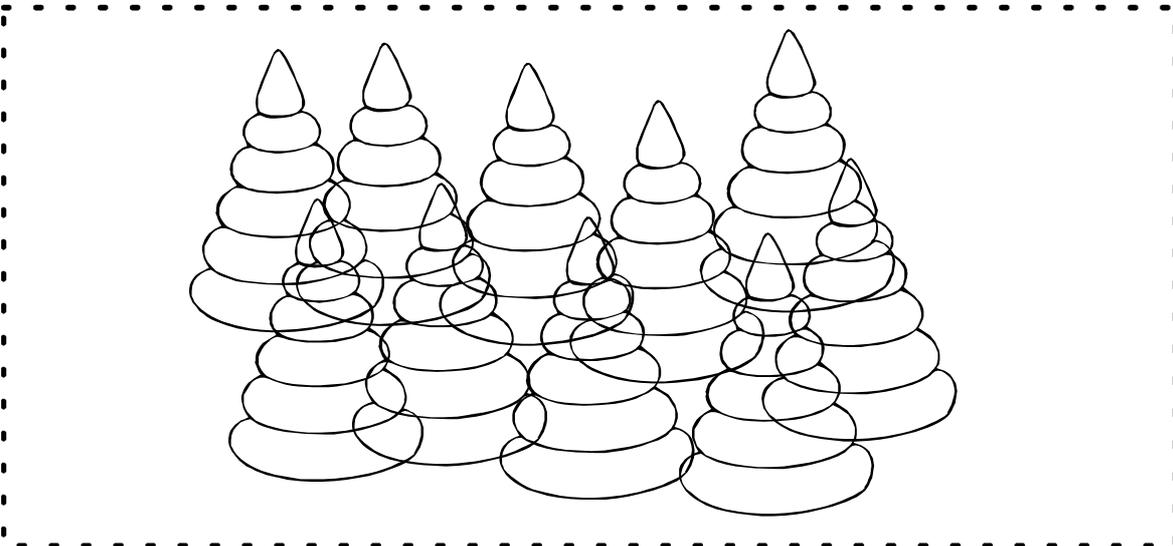

Найди все машинки и сосчитай их

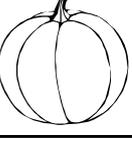

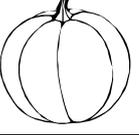

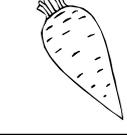

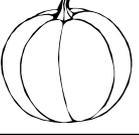

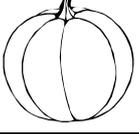

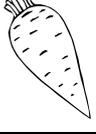

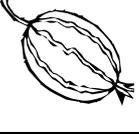

Найди все мячики и сосчитай их

Найди все пирамидки и сосчитай их

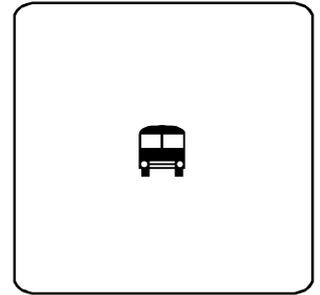

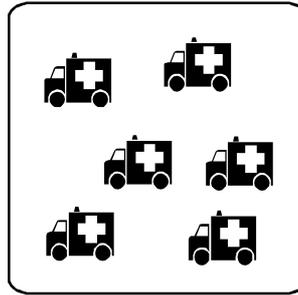

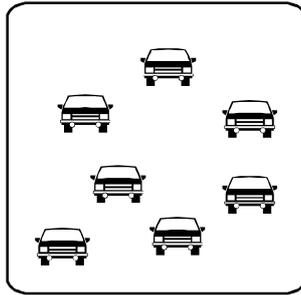

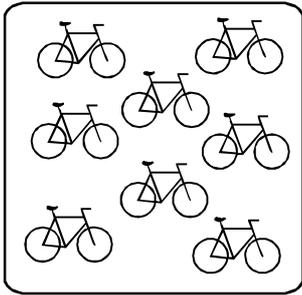

Сколько на рисунке предметов.
Сосчитай и напиши в пустых клеточках

Сосчитай количество предметов в каждой картинке,
соедини картинку с нужной цифрой

Сравни между собой предметы в соседних ячейках,
скажи что у них общего и чем они отличаются

Рассмотри картинки, составь по ним простые предложения из нескольких слов

Кем мечтают стать эти дети,
чем они будут заниматься на своей будущей работе
